

MCSE Exams 70-462 & 70-463 Self-Practice Review Questions 2015 Edition: (with 90 questions)

According to MS, the MCSA SQL Server track is intended for candidates who need to perform SQL Server installation, maintenance and configuration tasks. They often need to set up database systems and are responsible for making sure those systems are actually running efficiently. They also need to ensure that the data is backed up regularly, stored effectively, and that the data is highly secure. There is the SQL Server 2012 exam coded 70-462 that covers these topics: Install and Configure Maintain Instances and Databases Optimize and Troubleshoot Manage Data Implement Security Implement High Availability Exam 463 is all about datawarehousing the focus is more on the implementation issues: Design and Implement a Data Warehouse Extract and Transform Data Load Data Configure and Deploy SSIS Solutions Build Data Quality Solutions The SQL Server exams share many common topics so it makes sense to study both together. We create these self-practice test questions referencing the concepts and principles currently valid in the exams. Some of the easy-to-miss tech details are covered as well. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to simulate actual exam questions. realistic or actual questions that are for cheating purpose are not available in any of our products. Our practice questions are written to be relatively straight forward and less tricky. In the real exam, you will see questions

framed in longer scenarios. There may also be graphical and/or performance based questions in the real exams.
