

Gisborne: Book of Pawns (The Gisborne Saga 1)

BOOK ONE in the THE GISBORNE SAGA In a story where status means power and survival depends on how the game is played, two people, one a squire wronged in life and one a noblewoman, are drawn together by lust and a lost inheritance in twelfth century England. Guy of Gisborne is a man with secrets, Ysabel of Moncrieff, a naive and opinionated noblewoman whose world comes tumbling down upon the death of her mother. Gisborne is ordered to Aquitaine to escort the young woman home to attend to her grieving father and whilst travelling, she discovers Gisborne's secrets are not just connected with his family but with the throne of England. And with revenge. Suddenly Ysabel is confronted with the fact that she and Gisborne could lose their lives as history is shaped unconsciously by those in power. Highly Commended in 2012 Golden Claddagh Awards. Honourable Mention in the RONE Awards, 2013. Finalist in Readers Favorite Book Awards 2014. Subsequent Honourable Mention in those same awards. B.R.A.G gold medallion for historical fiction.
