

Jake McCarthy, Crosswind

Triggered by a distress call from the Salvation Army shelter for the homeless in Oklahoma City, Jake McCarthy embarks on a mission to help his newest client, a mentally deranged, elderly widow, uncover the cause of her husband's suicide and the loss of millions of dollars. With virtually no help from his client, McCarthy uncovers a nest of evil in her hometown, Crosswind, Oklahoma. Through the efforts of an attractive, female psychiatrist and McCarthy's near-fatal snooping into the business of Crosswind's elite, he is able to piece together a near-perfect scheme to defraud Molly Allen from her inheritance. This story of greed, treachery and betrayal of family and friends offers a keen insight into the ability of wealthy third-generation businessmen to rationalize even the most heinous of crimes.
