

## A Song For Desmond (The Steve Cannon Novels Book 2)

Steven Cannon must enter the world of the professional musician and the seamy drug underworld of 1960s Las Vegas to solve the murder of a famous recluse trumpet player. With most of the celebrity entertainers on the Strip looking over his shoulder, Steve must also contend with a sadistic killer who has resurfaced as a drug kingpin. A Song For Desmond is a fast paced thriller homage to the hard working professional musicians that populated the carpet joints of the Las Vegas Strip and the downtown casinos before canned music made them obsolete.
