

The Left-handed Dollar (Amos Walker Novels)

Joseph Michael Ballista?Joey Ballistic to his mob buddies?knows most of the ways to make an illegal buck, or a left-handed dollar. Thats why hes in trouble again. But his crafty lawyer, Lucille Lettermore?Lefty Lucy to just about every prosecutor shes ever humiliated in court?is determined to free him by getting all his previous convictions set aside, starting with one for attempted murder. When she hires Detroit private detective Amos Walker to look into the old crime, she immediately has a problem: the intended victim was investigative reporter Barry Stackpole, Walkers only real friend. Walkers not thrilled to help get his buddies would-be killer off the hook. But moneys money. It wont be easy. For starters, though Joeys ex-wives grudgingly talk with Walker, he knows theyre not really leveling with him. And two new murders tied to the case arent likely to make them chattier.Walker, friendless and desperate for answers, follows a string of leads old and new straight into a war of nerves and bullets in Detroit's seedy crime-ridden underbelly. Itll be a dirty job for Walker in The Left-Handed Dollar, Loren D. Estlemans twentieth Amos Walker mystery.
