

The Attack

Dr. Amin Jaafie, an Arab Israeli citizen, is a respected, dedicated surgeon at a hospital in Tel Aviv. He has learned to live with the violence that plagues his city, and works tirelessly to help the victims brought to the emergency room. But one night, a deadly bombing in a local restaurant takes a horrifyingly personal turn, when his wife's body is found among the deadbearing injuries that match those typically found on the bodies of fundamentalist suicide bombers. As evidence mounts that his wife, Sihem, was responsible for the catastrophic bombing, Dr. Jaafie must face the inescapable realization that the beautiful, intelligent, thoroughly modern woman he loved had a secret life that was far removed from the comfortable, assimilated existence they shared. Intense and humane, devoid of political bias, hatred, and polemics, *The Attack* portrays the reality of terrorism and its incalculable spiritual costs, and offers a profound understanding of what seems impossible to understand.
