

THE ASSASSIN FLAW (Jonah Parish Novels)

Jonah Parish, recently retired from the Royal Marine Commandos and working in the security industry wakes up on the lawn of a house in Exeter having been drugged. The lawyer he was hired to guard is missing. In tracking down the missing lawyer Jonah is embroiled in a game of cat and mouse with a ruthless gang looking for a rare flawed 1964 West German postage stamp bearing the image of John F Kennedy and worth a million dollars. As Jonah delves deeper into the mystery of the Assassin Flaw stamp and the life of the last man to own it, a dead American diplomat Rory Shapter, he uncovers the truth behind one of the twentieth century's most mysterious conspiracy theories, the assassination of John F Kennedy.
