

Crone of War (Book II of the Morrigan's Brood Series)

The Lamia expeditionary force has gained a foothold in Eire and has formed an alliance with a powerful Irish chieftain and his malevolent mother. To reinforce them, a massive Lamia army, which is departing Rome, will soon give them enough power to conquer Eire and find their lost treasure.

Will the Dearth Du and their new found friends be able to protect Eire from the invaders, or will the Dearth Dus suspicion of other blood-drinkers allow their enemies to be victorious? Continue the journey... the second in a series of stories revolving around the Dearth Du through the ages.
