

## The Trap (Kriton Ellis) (Volume 3)

Inspector Kriton Ellis is the fictional protagonist of a series of short mystery stories created by Steven Mason. He is residing in London and solves crimes by examining and evaluating clues in order to uncover the identity of the criminal. In this story, an anonymous sender is willing to trap different people in order to prove that money is above personal principles and values. Is the murderer of Albert Robinson, the famous art dealer, one of them? If there was only one truth our life would be very monotonous
