

Black Gold

The setting is Bath, England's most fashionable spa, during the spring season of 1787. Haughty aristocrats, wealthy upstart businessmen, social climbers, adventurers, courtesans, sharpers, addicted gamblers, and a representative sample of the dregs of English society gather for pleasure and profit in this lovely Georgian city...Anne Cartier, Colonel Paul de Saint-Martin, and Georges Charpentier pursue a wily dangerous fugitive from French justice in this thrilling sequel to Mute Witness. They must deal with Sir Harry Rogers, a rich, powerful, cuckolded slave trader. His wife, Lady Margaret, loves another man. Mary Campbell, the tutor of their deaf son, has died mysteriously. His black slave Lord Jeff, a footman and bare-knuckle boxer, seeks freedom. Passions mount. Tragedy looms near.
