

World on Film: An Introduction

This uniquely engaging and lively textbook provides a comprehensive introduction to international film, from the golden age of European cinema to the contemporary blockbusters of India and Asia, and the post World War II emergence of global film culture. Offers an overview of film culture in European countries such as France, Sweden and Spain, as well as Africa, Hong Kong, China, and India, in a clear and conversational style to engage the student reader. Provides a detailed exploration of the impact of globalization on international cinema. Addresses the differences in visual and narrative strategies between Hollywood-influenced movies and international cinema. Highlights key words within the text and provides a comprehensive glossary of critical vocabulary for film studies. Includes over 80 film stills throughout the text, and a comprehensive companion website with a troubleshooting guide for instructors that includes suggested syllabi at www.wiley.com/go/worldonfilm. Each chapter includes in-depth case studies of individual films and directors, cultural and historical context, selected filmographies, and ideas for projects, essays, and further research.
