

One Book in the Grave: A Bibliophile Mystery (Bibliophile Mysteries)

Brooklyn's chance to restore a rare first edition of *Beauty and the Beast* seems a fairytale come true - until she realizes the book last belonged to an old friend. Three years ago, Max Adams fell in love with Emily and gave her the copy of *Beauty and the Beast*. Soon afterward, he died in a car crash, and Brooklyn has always suspected his ex-girlfriend and her jealous beau. Now she decides to find out who sold the book and return it to its rightful owner - Emily. She believes a book dealer can assist her, but when she arrives at his shop, she finds him murdered. Is it possible the same couple who may have killed Daniel is now after his edition of *Beauty and the Beast*?
