

50 Things to Know to Study Quickly and Efficiently: Time Tested Study Skills (50 Things to Know Career)

Do you study hard yet your marks are consistently low? Have you ever skipped out on syllabus content because of lack of time? Do you feel like your preparation is never enough? If you answered yes to any of these questions then this book is for you... 50 Things to Know About Studying Quickly and Efficiently offers a unique perspective on the science of studying and preparing for exams. Most books on exam strategy focus more on the generic ways of success rather than the student. Although there's nothing wrong with that, but education is a personal journey. It is unfair to reduce students to nonspecific robots who will all follow the same pattern. This book and the author appreciates the individuality of each student. Based on knowledge from the world's leading educational experts, this book offers a unique insight into the science and art of exam preparation. This book will help you in achieving better scores and grades by giving you personalized tips and easy-to-follow strategies. By the time you finish this book, you will be able to revamp your studying style and pattern to achieve more productive results. So grab YOUR copy today. You'll be glad you did. For each 50 Things to Know book that is sold (not including free days), 10 cents is given to teaching and learning. Go to 50ThingsToKnow.com/GivingBack to find out more.
