Tastefully but suggestively illustrated with swimsuit models. Excerpt: I want you in so many ways.... I dream of you constantly, and can feel your hands running all over my body. You are driving me wild, and I think you know it. I want you so bad I can taste you.... I first saw you in the hallways of the school, Halstead College, we both attend, but I was too shy to say a word. The twinkle in your eye spoke volumes about your desire, but, I got the feeling you are shy, too. You are so handsome - about 6 tall, with slightly long dark brown hair and deep blue eyes. I wonder if you know what kind of effect you have on this lady! Finally, we had a chance encounter in the break room. You accidentally touched my hand at the soda machine, and I almost jumped out of my skin. A huge shock of electricity ran through me - that unspoken desire was mutual, and we both knew it. After class that day, I happened to walk by your car, and you stopped me, asking me if I wanted to come over for lunch and a study session before the big test of the week. Be still my heart... I agreed. Adults Only. Latest Ebook Release by LeAnna Lovejoy: SWEET ON THE LIPS, SWEETER ON THE TONGUE
